Notes from Principal Scott

Dear Families of Hartley,

Thank you for helping your child get right back into a successful routine of teaching and learning. Now that all students have completed the i-Ready assessment our teachers are determining how to best meet individual student needs based on current data. During this semester, in addition to students being able to practice literacy skills on the computer, they will also be able to have targeted practice in math. Based on the results of their current i-Ready test each student will have a tailored pathway to learning on the computer. This is in conjunction with the differentiated instruction they are receiving from their teachers each day.

Please join us this week for our first family safety night. See page two for detailed information and how to sign up for the available sessions. Special congratulations to our girls' and boys' basketball teams. The girls' team has two victories and although our boys are 0 and 2, their last game was a nail biter all the way to the final buzzer. Come join us at our next games this Friday at Murray Middle School from 5:30-7:30 pm. Thank you for adhering to all of our rules and expectations for student safety during arrivals and dismissals. We need you to keep everyone safe! Lastly, keep an eye out for information coming home soon about our Winter Dance and Raffle. We are going have lots of great prizes to raffle off during this event. You won't want to miss it! Always remember, if you need assistance we are here to partner with you for the success of your child. Just reach out to our staff and let us know how we can help.

Hartley Parents & Visitors: You must be an approved volunteer to come into school. You can no longer sign-in as a visitor. You must be an approved volunteer or an approved vendor.

If you would like to visit your child at school during lunch, attend a field trip, and/or volunteer at school, please fill out the volunteer application on the following website:

<https://knt3.keepntrack.com/HTML/KnTOnlineVolunteerApplication.html?db=stjohns&version=3.16.1-20160701>

Once your application has been cleared through the school district and the St. Johns County Sherriff's office, it will be valid for three years. You will not need to fill out another application in the future, just let us know you need to be renewed. Your volunteer status, once cleared, will allow you to sign in at all St. Johns County Schools.

Please do not check your child out early from school, or call after 2:00 PM (1:00 PM Wednesday) to change the way your child goes home (EXCEPT IN THE CASE OF AN EMERGENCY).

Thank you very much for your cooperation.

**Family Safety Night
Thursday January 25, 2018**

4:30pm-6:15pm

Choice #1: Hands-Only CPR in Portable 1 by Saint John's County Fire Rescue

@ Gamble Rogers
- 02/23 Winter Dance 7:00-9:00pm**

The Florida Department of Health (the Department) reports that influenza, or “flu,” activity levels have increased sharply over the last several weeks. Flu is a contagious respiratory disease caused by influenza viruses. It can cause mild to severe illness. Serious outcomes of flu infection can result in hospitalization or death. Some people, such as young children, the elderly, and people with certain health conditions are at high risk for serious complications from flu. The Department is encouraging families to get vaccinated for flu now.

Vaccination is the best way to protect against the flu and severe complications from the flu.

Vaccination is most crucial for children with underlying health conditions such as asthma, diabetes, heart disease, and neurological and neurodevelopmental conditions. The flu vaccine is offered in many locations including pharmacies, clinics, employers, and schools. Contact your health care provider, county health department, or visit <http://www.floridahealth.gov/findaflushot> to find a flu vaccine center near you.

The flu vaccine is safe. The national Advisory Committee on Immunization Practices (ACIP) recommends that all individuals six months of age and older receive the flu vaccine **each year**. Since infants under six months of age are too young to get vaccinated against influenza, it is important that family members (including pregnant or breastfeeding mothers) and other caregivers for these children be vaccinated to help protect them from the disease.

It is especially important that parents **keep sick children at home** to prevent spreading the flu virus to others. Additional flu prevention steps include staying away from people who are sick, covering sneezes or coughs with a tissue or your elbow, avoid touching your eyes, nose and mouth, and frequent handwashing.

If your child becomes sick with flu-like illness, contact your health care provider as soon after symptoms begin as possible. Symptoms of the flu often include fever, cough, sore throat, runny nose, body aches, headaches, or fatigue. Antiviral medication for flu has been shown to reduce severity and length of disease, decrease the risk of complications from influenza, and reduce the risk of death among hospitalized patients, particularly in those that start treatment early in their illness. Health care providers can prescribe antiviral treatment if appropriate. Treatment is most effective when started within 48 hours, so contacting your health care provider as soon as your child becomes ill is important, especially if your child has underlying health conditions.

The best way to keep yourself and your family safe and healthy during flu season is to:

- **Get vaccinated;**
- **Keep sick family members home;**
- **Contact your health care provider if you or your child are experiencing flu-like symptoms;**
and
- **Follow your doctor’s guidance on treatment.**

For more information, please visit <http://www.cdc.gov/flu/parents/index.htm>.

Nurse Newbern

Cold and Flu season is upon us. Parents, if your child has a fever of 100.0 or greater, please keep them home. They may return to school when they have been fever free for 24 hours without the assistance of medication such as Tylenol or Advil.

Also, as a reminder, please check your child regularly for head lice. If you find your child to have lice, please inform the school so we may check all the children in class and treat the room.

Thank you so much,
Nurse Rosemary
904-547-8389

BUSINESS PARTNERS

We cannot express enough how appreciative we are for our business partners.

Shores United Methodist Church*

***"Rock Solid Followers" Children's Winter Camp**

Lace up your hiking boots, grab your backpack and get ready for an adventure at Rock-Solid Followers! Parents plan now to have your child participate in the fun of *Rock-Solid Followers* – a 13-week camp adventure. Each Wednesday from 6:00 p.m. to 7:30 p.m. in the Christian Education Building, your child is invited to a time of Games, Bible stories, Nature crafts and Creative art! Tour guides are waiting to lead your child in the adventure of the New Year. *Rock-Solid Followers* camp is opened to all elementary school children. Pre-K to 5th grade and is free to the community. The church will provide a pizza supper with juice, dessert and special treats each week. Shores United Methodist Church is at 724 Shores Blvd. Registration is currently open, and all children are welcome! For information, call 797-4416 or go to shoresumc.org.

Hartley Elementary Student Council

Project S. A. F. E.

(Saving Animals from Euthanasia)

Student Council will be collecting items for S.A.F.E. The Pet Rescue Shelter located in St. Augustine saves animals from euthanasia or being put down.

S.A.F.E has saved over 6,000 lives!

The Student Council will collect items for S.A.F.E. from January 22nd to February 2nd.

S.A.F.E. currently needs our help with caring for and feeding the dogs, cats, puppies, and kittens. If able, please send any of the following items to school with you child. We appreciate your help and support!

Needed Items:

- Quality dry or canned dog or cat food
- Scoopable litter
- Bleach or disinfectant
- Washing detergent
- Old Towels and Sheets
- Leashes and collars
- Plastic garbage bags
- Nylabones
- Paper towels

Please bring send in items to your child's classroom or the front desk. Thank you for helping animals in our community!
