

Dear Hartley Parents,

The 5th session of the Minecraft Club will be starting April 20, 2016, and will run for 6 weeks. This club will allow participating students in 2nd through 5th grades to learn how to craft all kinds of materials throughout the Minecraft world and build things together as a team, while safely immersed in our school's secure server.

Details:

- The club will run on Wednesday afternoons from 1:45 to 3:15. **Transportation is not provided. Parents need to pick students up promptly at 3:15 at parent pick up. Failure to pick your child up on time could result in him/her being withdrawn from the club.**
- We expect students to abide by our policies in the student handbook for behavior and Internet use.
- Please notify the school if your child will not be at a club meeting.
- We have room for 50 students in the club. We will accept students in the order in which permission slips are turned in.
- There is a \$20.00 fee for joining the club, which covers the cost of our hosted Minecraft Edu server and licenses.

Requirements: Students do not need to have any experience with Minecraft, but experienced students are more than welcome to join our club: they will even serve as student helpers since my own experience with Minecraft is limited.
