Cell Phones at School

Cell phones are an amazing technology that are indispensable for us as adults in our daily lives. In the school setting, though, the School Board has adopted some policies to keep our students safe and to respect the privacy rights of all.

The district Student Code of Conduct requires that student cell phones be turned off and in the student's backpack while at school OR on the bus, unless given administrative permission to use them. (Pg. 27, Student Code of Conduct). Both parents and students are not allowed to photograph students while on school premises, except during Open House or school public events, such as plays, sporting events, fund-raisers, and awards assemblies. (Pg. 56, Student Code of Conduct.)

Finally, we respectfully ask that parents refrain from cell phone usage while in the parent pick-up line. Driver distractions can pose hazards during the student pick-up process.

Thank you for your support with these school rules.

Math Textbook Adoption

The St. Johns County School District curriculum department representatives and adoption committee members are currently conducting the review process for the 2018-2019 Instructional Materials Adoption for Mathematics.

Resources are available for review at <http://www.stjohns.k12.fl.us/media/instructional-resources-media-services/textbooks/adoption/> by our parents and community members. The core resources that have been submitted for evaluation are listed on the state adoption consideration lists. AP materials that will be reviewed are from College Board recommended materials. If you are interested in serving on an adoption review committee, please contact the principal or assistant principal. Some print materials may be available for review. If you would like access to the available printed materials or require assistance reviewing the online resources, please call the Instructional Resources and Media Services office at 904.547.3947. Materials are available for review from 8:00 AM – 4:30 PM when district offices are open. Resource lists may be revised throughout the review process. Please check the website frequently for updates.

Please note the following Florida statute regarding instructional materials that pertains to parent input regarding adopted materials:

F.S. 1006.28 (1)(a)(3) Each district school board must establish a process by which the parent of a public school student may contest the district school board's adoption of a specific instructional material. The parent must file a petition, on a form provided by the school board, within 30 calendar days after the adoption of the material by the school board. The school board must make the form available to the public and publish the form on the school district's website. The form must be signed by the parent, include the required contact information, and state the objection to the instructional material. Within 30 days after the 30-day period has expired, the school board must conduct at least one open public hearing on all petitions timely received and provide the petitioner written notification of the date and time of the hearing at least 7 days before the hearing. All instructional materials contested must be made accessible online to the public at least 7 days before a public hearing. The school board's decision after convening a hearing is final and not subject to further petition or review.

Hartley Student Council Sponsors Food Drive

Our student council is leading an important event not only for our school, but for our community as well... THE FOOD DRIVE! This food drive runs from October 29th-November 9th. Each grade level is assigned a type of food good: canned vegetables, pasta, boxed potatoes, beans, rice, and soups. The food we collect will not only go to the families in need at Hartley, but also to local community shelters. Some of the victims of hurricane Michael have been misplaced and are staying with family here in town, with some of the families of Hartley students. We want the community to get as much food as we can possibly collect! Anything you can provide will help these families and will also instill in your child the meaning of giving back to our community. Just a reminder of what each grade level is assigned:

Kindergarten: Canned vegetables

1st Grade: Pasta

2nd Grade: Boxed potatoes

3rd Grade: Beans (canned or dry bag)

4th Grade: Rice

5th Grade: Canned Soups

Thank you all ahead of time for anything you can contribute to this event and we can't wait to see how much we can collect!!

PTO announces First Semester Box Top Collection Winners!

Congratulations to students in the following classes, who brought in the most box tops during our first semester contest:

2nd Place: 536 box tops collected by **Mrs. Erickson'**s third graders

3rd Place: 459 box tops collected by **Ms. Roquett'**s fourth graders
