VOLUNTEERS NEEDED FOR TESTING SEASON

It is hard to believe that we will start the 4th quarter of the year this month (March 25th) and that FSA assessments will begin shortly after! We are happy that the FSA testing days will be greatly reduced this year as all children will once again be tested all at the same time using a paper/pencil format. Our 4th and 5th graders will take the Writing assessment on April 2, followed by 3rd grade Reading on April 4 and 5. The balance of testing for these grades will be in early May. You can help by volunteering to PROCTOR for these tests. You will be strictly an observer and would not be scheduled for your own child's classroom. To sign up, please click here:

<https://www.signupgenius.com/FSAProctors>

YEARBOOKS ARE AVAILABLE FOR ORDER NOW

This year Hartley is offering an opportunity to purchase the school yearbooks in advance. This is your opportunity to reserve a yearbook for your son or daughter. Please look for an order form to come home with your child. The cost of the Hartley Yearbook is \$15- and advanced orders may be placed online with Leonard's Studio. Parents may also return their order forms to Hartley and we will forward them to Leonard's. As always, we order a good supply of yearbooks which arrive at the end of the year and are sold while supplies last.

5TH GRADE STEM FAIR WINNERS FOR 2018-2019

Thanks to STEM Fair Advisor Shannon Mergel, and all of the fifth grade teachers for the encouragement and assistance they offered in supporting the students' understanding of the Scientific Process.

1st Place: Jake Hudson

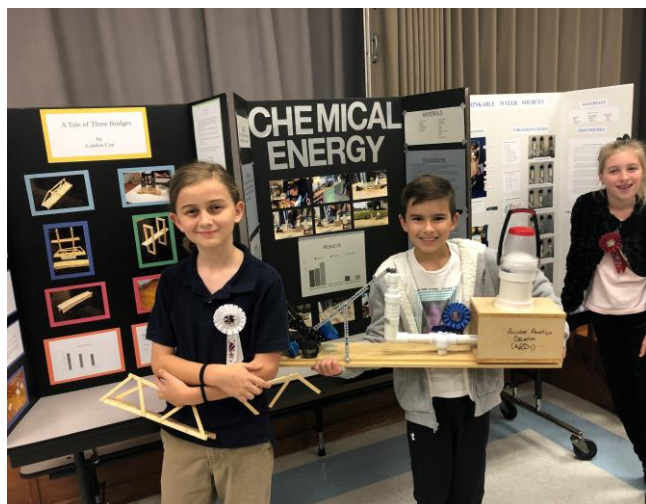

“What Chemical Reaction Creates the Most Significant Energy Source?”

2nd Place: Emma Fischer

“Can Natural Filtration Systems Make Different Sources of Water Drinkable?”

3rd Place: Landon Coe

“Out of Truss, Suspension and Arch Bridges, Which is the Strongest?”

JUST THE FACTS!

Congratulations to second graders: **Grayson Hedrick, Jackson, Marston, Addysen Harris, Knox Thomazin,** and **Grace Durden** for mastering all their Addition Facts! We now have 21 second graders who are part of Mrs. Baker's +/- Club. Mrs. Baker is hoping that every second grader will qualify for this honor before the end of the school year!

In Subtraction, our number of experts has grown to by another student. Added to our still exclusive club in February: **Evan Benzenberg.** Congratulations!

3RD GRADE "MULTIPLICATION MASTERS" CONTINUE TO MULTIPLY

Third graders who demonstrate a facility with multiplication facts will have an opportunity to earn "Multiplication Master" status during the second semester. Congratulations to **Kari Tate, Lily Pettigrew, Kasey Halfacre, Hunter Williams, Dylan Corpuz,** and **Bianca Baptiste,** who recently became members of this group by demonstrating their grasp of multiplication facts during a verbal assessment. Each of the students received special pencils, an ice cream treat, recognition on the "Multiplication Masters" bulletin board and this mention in the newsletter. We hope to see all third graders join this group before the end of the year!

CONGRATULATIONS TO FEBRUARY CHARACTER COUNTS HONOREES!

We are very proud of these students, who were chosen by their teachers and classmates as exemplars of the character pillar, Respect during the month of February.

SUMMER MARINE SCIENCE PROGRAM

Parents,

Applications for the summer Marine Science Program will be passed out by science teachers at all schools during the week of February 11th. Applications will be due back to science teachers by March 5th. Applications can also be downloaded at any time from the website prior to April 12th at <http://www-grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be May 29st through June 7th, June 10th through June 20th, and June 24th through July 3rd. Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddleboarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.

More information about the program can be had by emailing Kristina Bransford at marinescienceprogram@stjohns.k12.fl.us.

KINDERGARTEN REGISTRATION OPENS MARCH 1ST

The St. Johns County School District (SJCS D) will begin early registration for the 2019-2020 school year March 1. This registration is only for children new to the school district, including those entering kindergarten.

Early registration can be completed online at www.stjohns.k12.fl.us/student/enrollment or by visiting the student's assigned school website. To find the assigned school, enter your street address on the Attendance Zone Locator at www.stjohns.k12.fl.us/zoning/.

To be eligible for public kindergarten in the SJCS D, children must be 5 years old on or before September 1 and must reside in St. Johns County.

Other requirements for registration:

- Birth certificate/Guardianship Documents
- Documentation of a health examination performed within one year of enrollment
- Proof of completed required immunizations on Form DH680
- Proof of residence per the Residency and Guardianship Policy located at www.stjohns.k12.fl.us/student/residency/

For additional information on registration, contact the Student Services Department at 547-7598 or the assigned school.
