Early Withdrawal Policy

In the event of early withdrawal from the Extended Day Program, all tuitions and registrations paid will be forfeited.

If you should decide to re-enroll your child in the Extended Day Program after your student's withdrawal, an enrollment fee of \$35.00 will be required before your child can start.

If there is a debt, the debt must be paid in full before the student is able to re-enroll.

Snack

Snack will be provided for students in the afternoon. Each student will be given snack each day in the afternoon. For Morning Care students, breakfast is available in the cafeteria when the students are released from Extended Day Morning Care. We do not provide snack to Morning Care students for this reason. Water is always available; we recommend that a water bottle be brought to school each day. Please Note: If your student has allergies that require an alternative snack, please let the Extended Day Coordinator know in order to accommodate your student. We are always happy to help!

Homework - Please discuss with your student(s).

- Extended Day provides time for homework on Mondays through Thursdays in a study hall fashion. Extended Day teachers are available to oversee homework time and assist when needed. Extended Day teachers are able to spot check homework for completeness.
- Your child is responsible for completing their homework. We cannot guarantee that your child's assignments will be completed by pick up.
- We do not allow children to go back to classrooms. This is for safety purposes and reinforces responsibility.
- We expect all students in the homework area to be as quiet as possible during homework time out of respect for all students.

Activities

Extended Day students participate in many activities including recess, arts and crafts, science experiments, and more. There may also be special fee-based enrichment programs available to your students to participate in after school.

Program Safety Guidelines – Please discuss with your student(s).

We want your child to enjoy Extended Day while participating in a safe learning and social environment. During Extended Day, we expect students to comply with the rules they follow during the regular school day. The rules are the same. Your child's teacher, as well as the Extended Day staff, will work closely with your child from the very first day of school to teach them the proper use of equipment and proper behavior inside the building and on the playground. Any child endangering themselves or others, misusing the playground equipment, or not following the safety rules will be unable to participate in the playground activity that day.

Please keep in mind that attending the Extended Day Program is a privilege, not a right.

- Children should always be able to see their group leader – stay close to your group.
- Any form of disrespect will NOT be tolerated.
- DO NOT CLIMB OVER OR UNDER the fences.
- Proper use of equipment is expected at all times.
- Always use inside voices when in the building. You can be as loud as you like outside.
- Always take a buddy after asking permission to leave the group. NEVER GO ALONE.
- Clean up after yourself and leave things just as you found them when you arrived.
- Keep your hands and feet to yourself at all times. If you have an issue, tell an Extended Day staff member.
- Please leave all toys and games at home. We are not responsible for lost or stolen items.
- Remember to always treat others as you want to be treated!
- Absolutely NO cell phone use.

Discipline Policy - Please discuss with your student(s).

We occasionally have students who make errors in judgment during Extended Day. We feel strongly that when we have support from the parents at home, we can be more effective when dealing with discipline issues. Listed below and on the following page you will find our Program Safety Guidelines. Please read the guidelines over carefully with your child. After an informal warning, you will be notified in writing of any behavior problems with your child.

- **Initial Incident:**
 - The student may be given an informal warning, depending on the offense, and given time out or another method of correction.
- **First and Second Incidents:**
 - Parents will be notified of incidents through formal or informal parent conference. Record of the incidents will remain on file. Parents may be required to sign written documentation on the incidents. The child **may** be suspended from the Extended Day program depending on the offense.
- **Third Incident:**
 - Parents will be notified of the third incident through a formal or informal conference. Record of the incident will remain on file. At this point, the child **may** be expelled from the Extended Day program depending on the offense.

This form of permissions and authorizations goes along with the electronic Hartley Extended Day registration form. By typing your first and last name on the registration form, you are stating that you have read all information required to be read and you accept the terms above and below this statement in addition to the required reading listed in the electronic registration form.

Movie Permission

Do you give permission for your child to watch "Not Rated," "G," or "PG" movies at Extended Day in the event of inclement weather or as a reward? This will act as a movie permission slip for the school year. **If you choose "No" on the electronic registration form, your students will be provided with an alternate activity.**

Authorization for Emergency Care

In case of an accident or serious illness, if the Hartley Extended Day Program is unable to reach me, I hereby authorize them to contact the physician indicated on the registration form and follow his/her instructions. If it is impossible to contact this physician, then the Hartley Elementary School Extended Day Program may make whatever arrangements necessary to provide care and treatment for my child. In case of an accident or serious illness where immediate treatment of my child is not indicated but where he/she is unable to remain at school, Hartley Elementary School Extended Day Program will contact me to arrange transportation for my child. If I am unable to be reached, I authorize them to contact one of the persons listed on the registration form and request them to come to the school and pick up my child.

General Release of Liability

The undersigned agrees to release and forever discharges the W.D. Hartley Elementary School Extended Day Program, the St. Johns County School Board, their officers, servants, agents, and employees from all claims and demands, rights and causes of action of any kind the undersigned now has or hereafter may have on account of or in any way arising from personal injuries and/or property damage known or unknown to the undersigned at the present time that results from any occurrence which may happen to the below stated child during time spent in the Hartley Elementary School Extended Day Program, barring proven supervisory neglect.

Agreement

I have read the handbook for the Hartley Elementary Extended Day Program; I accept the terms and agreements above. I agree to pay my student's fees according to the payment schedule. I am aware that delayed payment fees will result in loss of childcare. I understand the information above and have gone over the homework lab, discipline policy, and program safety guidelines with my student(s).
