Hartley Elementary PTO Business Partner Program 2026-2027

The Hartley Elementary Parents and Teachers Organization (PTO) would like to thank you for your consideration as a Business Partner with our school. We invite you to assist us in continuing to help students reach their highest level of achievement. With your help, we can further our efforts to encourage and support student growth by providing students and teachers the necessary tools.

The Hartley PTO, along with the donations of our business partners, have played a significant role in providing funding to positively influence the success of teaching and learning in our school. Our partnerships help support multiple and various needs within our school setting, such as:

- Events, like our Trunk or Treat, Family Fall and Spring Events & festivals
- Student programs, clubs and activities like our Robotics club, Student Soar Store and more
- Teacher and Staff supports, supplies and appreciation events
- Volunteer recognition events, Business Partner recognition lunch
- Student supplies and special grade level activities/instruction
- Curriculum/Classroom support materials and technology
- Student scholarships for school-related expenses
- Equipment/supplies for Resource classes, such as Art, P.E., Music, STEAM and Media
- Kindergarten screeners for incoming students

Your participation as a business partner will help influence students, future employees and leaders in our community. Our Business Partners find it a rewarding way to give back to our community and to assist our school in preparing students for tomorrow. Students learn that our community supports and respects their education and cares about their success and future.

If you are interested in becoming a business partner with Hartley Elementary School, please review the attached Business Partner Program Levels and Business Partner Program Registration Form. As a thank you for your partnership, we work to promote your business to our staff, students and their families through the school year. In-kind donations are also greatly appreciated.

Please contact hartleybusinesspartners@gmail.com if you have any questions. We look forward to working with you.
