Notes from Principal Scott

Dear Families of Hartley,

I would like to begin by thanking all of those who were able to volunteer for our field days before and after the spring break. The students had a blast! Of course we could not have pulled off the events without the coordinated efforts of Coach Masters and the specialists team including, Ms. Sloat, Ms. Disney, Ms. Branton, Mrs. Sharman, Mrs. Killian and Mrs. Ray.

Our annual Art's Night was quite a success, thanks to Mrs. Lynch and Mrs. Sisk! We also are very thankful to Mrs. Sharman, who before she left, prepared the students' art work, so we were able to hang up or display it in the halls and cafeteria. A special thanks to the musical talents of the following: parent and guitarist Jesse Cruce, parent and harpist Mrs. Jennie Eggleston, the Murray Middle School Jazz Band and Tommy Bledsoe and his Bluegrass Band. Their contributions in conjunction with our very own Music Makers and Radical Recorders, under the direction of Ms. Disney made the evening a night to remember! We are also thankful to Art on the Go for providing free face painting. Sporks Food Truck, Scoo-B-Q, South Pole Ice Cream, and our Safety Patrols and Student Council provided a wide variety of yummy drinks and food for all to enjoy. Those in attendance truly appeared to enjoy themselves. It was another example of why Hartley is such a great school and community.

On the last two pages of this month's newsletter you will find information about next year's classes and an opportunity to provide input about your child's strengths and areas of need. Keep in mind we are not seeking specific requests for placement with teachers, however your input is very much appreciated. This is another way for us to partner together as we plan for the continued success of every student

HARTLEY PLEDGE

"I give my word that every day I'll do my best to live the Hartley way. Caring and responsible I will be, respectful and trustworthy for all to see."

With the many events that will be taking place in the coming days and weeks please keep in mind Hartley Parents & Visitors: You must be an approved volunteer or vendor to come into school.

If you would like to visit your child at school during lunch, attend a field trip, and/or volunteer at school, please fill out the volunteer application on the following website:

<https://knt3.keepntrack.com/HTML/KnTOnlineVolunteerApplication.html?db=stjohns&version=3.16.1-20160701>

Once your application has been cleared through the school district and St. Johns County Sheriff's office, it will be valid for three years. You will not need to fill out another application in the future, just let us know you need to be renewed. Your volunteer status, once cleared, will allow you to sign in at all St. Johns County Schools.

Cafeteria News

Student Accounts: As we near the end of the fiscal year we need to inform you that we will be unable to extend credit to student accounts starting Monday, April 30. We will of course not let any child go hungry, however we ask that you maintain your child's account.

Employment Opportunity: Mr. Donald Colburn will be retiring at the end of this school year. His infectious personality and humor will be greatly missed. As a result we will need to fill a four hour a day position. The new hire will need to begin on 8/10/2018. If you have an interest in applying for this position you will need to take steps to meet the requirements of the District's Human Resources department.

Dear Parents or Guardians:

Every year developing class lists presents a challenge at Hartley because of our changing enrollment and uncertainty about how many teachers we will need in the fall. New students often enroll in the summer, and many times we have to rearrange classes or form new ones to accommodate these new students.

We will be making tentative class groupings in May. Our teaching staff takes a great deal of time and care in setting up classes for the fall. We meet together in grade level teams to discuss each student individually and then create classes that are balanced in terms of race, gender, academic ability, and social-emotional development. We also look carefully at children who work well together and who motivate each other. Our goal is to form heterogeneous homeroom classes in which children and teachers can be happy and productive, and have the most positive year possible. These groups are, of course, subject to reorganization during the summer.

We would like to give you the opportunity to describe how you see your child as a learner and to share with us what elements you believe should be included in your child's instructional environment. You may use the form on the reverse side of this letter to provide your perceptions of your child's strengths and needs. You may prefer to write a letter sharing this information. *The form or letter is optional.*

While the vast majority of parents do not submit requests for specific teachers, there is a history of some requests for a child to be placed with a certain teacher. Unfortunately, due to the many other factors we must consider when forming classes, it will be impossible to honor specific teacher requests.

Whether you choose to use this form or write a letter, it should be returned to the school no later than May 1, 2018.

Sincerely,

Antonio C. Scott

Principal
