All Hawks Fly through 2019 Fun Run!

Many thanks to the students, parent, teachers and hardworking PTO members who made this year's Fun Run a very successful event! We raised over \$31,000, funds that will be used for technology, digital resources, student scholarships and much more. Thank you to all those who donated. We truly appreciate your support!

The Fun Run Door Décor Winners:

First Place: Ms. Hudson's & Ms. Mergel's Classes

Second Place: Ms. Kerly's Class

Third Place: Ms. Barnes' Class

Each class will receive a gift card for classroom items! Congratulations to the winners!

Chris Felton is Hartley's School-Related Employee of the Year!

Congratulations to Chris Felton, Hartley's School-Related Employee of the Year! Every year, school employees annually nominate a peer who best models the character and integrity that is so important at school. In his role as day custodian, Mr. Felton's unmatched work ethic, love for children and readiness to serve in any way made him a natural choice for this special award. Mr. Felton was honored at a reception for SREY honorees on November 21 at the World Golf Hall of Fame Museum. We are proud to work with Mr. Felton and we are grateful for his service to our school.

Hartley Families:

IF YOU KNOW AHEAD OF TIME THAT YOU ARE GOING TO BE PICKING YOUR STUDENT(S) UP PLEASE INFORM THE TEACHER AS WELL AS THE FRONT OFFICE SO THAT THE STUDENT(S) WILL BE READY.

Cut off for transportation changes and check outs are 2:15 (1:15 on Wednesday).

Thank you for understanding.

Student Council Food Drive

Hello Hartley Hawks! Student Council's Food Drive started this week and we are asking for your help! We are collecting canned and dry food for our local families in need this holiday season. If you want to help, bring in canned fruits/vegetables, rice, beans, and/or any other boxed or dry food product, we would greatly appreciate it! We will be collecting food until November 26th. Thank you for all of your support as we work to help our community!

Second Grade Addition/Subtraction Wall of Fame

We LOVE math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: XtraMath.com

Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts.

Congratulations to our members!

Luke Chrzanowski—Addition & Subtraction

Joseph Barrett—Addition & Subtraction

Ronan Finstad—Addition & Subtraction

Nolan McDaniel—Addition

Marlo Famiglietti—Addition

Omar Knio—Addition

Jason Echols—Addition

Blake Leisse—Addition

Fifth Grader Connor Stevens is Hartley's Top Speller

Hartley's 2019 Spelling Bee competition was a close contest. In the 15th Round, Connor Stevens and Ava Works battled for the title of school spelling champion and the right to represent Hartley at the January SJCSO Spelling Bee in St. Augustine. Connor correctly spelled the word, "generation" to capture the top speller honor. Congratulations to 1st Place winner Connor, 2nd Place speller Ava Works, Third Place finisher, Jonny Walker and all of the fifth grade contestants who competed in this year's Bee. We are thankful to Spelling Bee Coordinator Shannon Mergel, Announcer Kasey Baker, Pronouncer Rachelle McCranie and Judges Yolanda Boone and Dr. Goricki for bringing a professional ambience to this year's event. Good luck in the district contest, Connor! Our finalists are pictured to the right.

The Book Fair is Coming!

Dear Families,

The Scholastic Book Fair will be held December 9th-13th and we're looking forward to seeing you there.

Come explore the large selection of books and find great reads for every person in your family. All books have been carefully reviewed by Scholastic and approved for young readers. These books represent the best authors and illustrators in children's publishing.

Our Book Fair connects students to books they want to read. To help your child find the best books, he or she will visit the Book Fair during the school day. Students will be allowed to purchase books during their visits, but we also encourage you to look over the attached Book List with your child. If you are not able to attend, you may use the Book List order form as your guide and send it back to school with your child. This list does not include all book titles but has some great suggestions.

Mark your calendar for our Music Makers and Kindergarten Winter Performances on Thursday, December 12th. Music Makers will perform at 6:00 p.m. and Kindergarten will follow at 7:00 p.m. The Book Fair will be open from 6:00-8:00 p.m. During this event, we also invite you to help build our classroom libraries by purchasing books and donating them to your child's class through the Classroom Wish List program.

Thank you for encouraging your child to read. We appreciate your support and look forward to seeing you at the Book Fair.

Sincerely,
Michelle Sloat

Congratulations to our Newest Third Grade Multiplication Masters!

Again this year, third graders who demonstrate a facility with multiplication facts have an opportunity to earn "Multiplication Master" status during the second semester. Congratulations to **Maeve Aplin** and **Isaiah Holden** who recently became Multiplication Masters Club by demonstrating an excellent grasp of the facts during a verbal assessment. Multiplication Masters receive special pencils, an ice cream treat, recognition on the "Multiplication Masters" bulletin board and a mention in the school newsletter. We are hopeful that all third graders will be multiplication masters by the end of the school year!

Thank you, Hartley Business Partners!

During the school year, our business partners contribute much time and resources to our students. Their generosity enriches the lives of our students at school. We are very grateful our business partners' continued interest and commitment to the Hartley School Community- thank you!

Progress Toward School Improvement Goals

Faculty and staff members continue to work hard in implementing 2019-20 school improvement goals, which focus on advancing the academic progress of our most challenged readers. Last week, principals and instructional literacy coaches in the Pedro Menendez Geo Pattern area met to discuss instructional initiatives that are meeting the needs of the lowest achieving 25 percent of readers. School improvement goals were shared in the August Hawks Headlines newsletter and at the September 3rd school advisory council and September 16th PTO meetings. Hartley is dedicated to helping all students reach their full potential.
