Click Now to take the 2020 Annual School Survey!

Log in to complete our Annual School Survey Today! Hartley's online school survey is now active as a link on the home page of our school web site:

Log in to: <https://surveys.stjohns.k12.fl.us/TakeSurvey.aspx?SurveyID=98L0668K>

Just click the "Take Needs Assessment Survey" link to take the school advisory council-sponsored survey, which you can complete in less than ten minutes. We encourage each parent or guardian in your family to complete the needs assessment. This year we hope to ensure a statistically significant response by offering your children a "No Homework Pass" when you complete the survey. Parents, this is a great opportunity to let us know how we are doing. The needs assessment outcomes inform us of school strengths and weaknesses as we work to improve as an effective place of learning for your children. Thank you for helping our school by taking the school survey now. Please let your child/children's teacher(s) know when you have completed the survey, and they will give your child the free pass on homework.

Hartley School Advisory Council PTO-Sponsored Winter Dance a Big Success!

Many thanks to the hundreds of parents and children who joined us at the annual Winter Dance. It was great seeing everyone having fun dancing and participating in exciting raffles last Friday. Thank you for supporting this enjoyable community event. We are grateful to members of the Hartley Parents and Teachers Organization for the many hours they spent planning this special activity.

**Make Preparations for the Goodwill "Bag It Up!"
Donation Drive" on Wednesday, March 4**

Hartley is excited to partner with Goodwill for the Bag It Up! Donation Drive! Parents are asked to look through closets for good used clothing and bring it to school from 8-8:30 a.m. on March 4th. Students who donate will receive a Good Citizen Award and coupons from the Alligator Farm, the Jacksonville Zoo and Adventure Landing. If our school reaches 60% participation, we will receive \$2,000 we can use for student activities. Thank you or planning to participate in the upcoming Bag It Up! Drive!

Congratulations to Newest Third Grade "Multiplication Masters"!

Third graders who demonstrate a facility with multiplication facts will have an opportunity to earn "Multiplication Master" status during the second semester. Congratulations to **Owen Lanham, Maelyn Rinnert, Savannah Knudsen, Carter Tussing, Arwen Dale, Jackie Kelly, Emma Zakrocki, Amira Burch, Jace Sherno, Addy Harris, Jace Bragg, Claire Oleson, Evan Benzenberg, Trevor Johnston, and Lauren Thai** who recently became members by demonstrating an excellent grasp of the facts during a verbal assessment. Each of the students received special pencils, an ice cream treat, recognition on the "Multiplication Masters" bulletin board and a mention in the school newsletter.

We are hopeful that all third graders will be multiplication masters by the end of the school year.

We are excited to announce that Girls on the Run will be available to Hartley's girls this spring! Girls on the Run is a program that encourages pre-teen girls to develop self-respect and healthy lifestyles through dynamic, interactive lessons and running games, culminating in a celebratory 5k run. Registration begins at 6 a.m. on January 10th. Girls on the Run practice will be held from 3-4:15 p.m. at Hartley on Tuesdays and Thursdays beginning February 11th and ending May 2nd with a 5K run at Atlantic Coast High School. Please use the following link to register your child: <http://www.gotrnefl.org/get-involved/register-your-girl>.

Kosobucki's Corner

Hello, Hartley Hawk Families!

Beginning this year, I will be providing classroom lessons to all students utilizing the Child Safety Matters curriculum to fulfill a new state mandate to promote the safety of all children. The program teaches children 5 Universal Safety Rules and other age and developmentally appropriate strategies to prevent, recognize and respond appropriately to bullying, cyberbullying, all types of child abuse, digital abuse and other digital dangers. Additional information can be found on the school website under the "New FDLOE Required Instruction" link located on our home page.

Sincerely,
Ms. Kosobucki

SUMMER MARINE SCIENCE PROGRAM

Parents,

Applications for the summer Marine Science Program will be passed out by science teachers at all schools during the week of February 10th. Applications will be due back to science teachers by February 28th. Applications can also be downloaded at any time from the website prior to April 6th at <http://www-grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.

This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be June 1st through June 11th, June 15th through June 25th, and June 29th through July 9th (Monday-Thursday). Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.

The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddle boarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.

For more information email Kristina Bransford at marinescienceprogram@stjohns.k12.fl.us.

Second Grade Addition/Subtraction Wall of Fame

We LOVE math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: XtraMath.com. Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts.

Congratulations to our members!
