

SUMMER READING STARTS SOON!

St. Johns County
Public Library System

The St. Johns County Public Library System is excited to announce that this year's Summer Reading Program will be hosted virtually through READsquared. It allows patrons of all ages to track their reading, participate in library challenges, and collect prizes. An easy to use app is available for Apple and Android devices.

You can join in the excitement by going to our READsquared website and signing up for notification on when the Summer Reading Program begins!

THE BEST SUMMER AT YOUR LIBRARY

ST JOHNS COUNTY PUBLIC LIBRARY SYSTEM

READsquared is brought to you by the Friends of the Library groups across St. Johns County.
