Renee Deyo is Hartley's 2020-21 Teacher of the Year

Kelsey O'Hara is Hartley's 2020-21 Rookie Teacher of the Year

Congratulations to **Renee Deyo** and **Kelsey O'Hara**, Hartley's Teacher and Rookie Teacher of the Year! As you may know, SJCS D teaching professionals annually nominate colleagues for the honor of Teacher and Rookie Teacher of the Year. Nominees are chosen for a superior ability to foster excellence in education and contribute to student learning and the school environment.

Hartley teachers commended Mrs. Deyo for her positivity and her generosity in "always helping her colleagues with a smile", "embracing new technology as a distance teacher during the pandemic", "being patient and kind" and "serving as grade-level chair, HAC liaison and attending every PTO event". Congratulations to Mrs. Deyo, a superb educator who is truly committed to each of the children in her care!

Mrs. O'Hara's peers nominated her for being "a dedicated, effective teacher who is thriving in her role as a distance teacher" and "working hard to lead her students to their full potential."

We are proud to work with Mrs. Deyo and Mrs. O'Hara at Hartley! They will be formally recognized later this year at a special banquet for teachers and their families.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**. Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts.

Congratulations to our members!
