Reopening School at Hartley- a Safe and Positive Beginning!

Parents, thank you for making the return to school at Hartley a successful experience for your children! At school we are discussing the Four Cs: Courage, Confidence, Caring and Caution. We are working hard to enliven your children's hearts with the joy of learning. Please know that our teachers are determined to narrow the gap of learning lost to the pandemic.

Reminders for Parents of Distance Learners

If you are the parent of a distance learner, we encourage you to continuously monitor your child's activity throughout the school day. Teachers provide a weekly schedule of times for Schoology conferences and activities that need to be completed. "School at Home" can be a challenge to parents, who have competing priorities and limited resources. For your student to reach his/her full potential this year, we need you to work closely with your child's teachers. Please remember that distance and simultaneous instruction teachers may be unable to respond to parent communication during the school day while

COLD & FLU SEASON IS UPON US

Please make sure to wash your hands with soap and water or use hand sanitizer.

Thank you!

How to Transfer from Distance Learning to Brick & Mortar or Vice Versa

Before school reopened, all parents chose an instructional delivery model they felt was best for their family's situation and needs.

In the event you need to request a change from Distance Learning to Brick & Mortar or vice versa, please follow the process below.

1. Contact the principal, Dr. Goricki at paul.goricki@stjohns.k12.fl.us to request a transfer.
 - a. If requesting a move to Distance Learning, please watch our distance learning video for a overview of responsibilities and expectations:

<https://www.stjohns.k12.fl.us/online-learning/>.
 - b. If requesting a move to Brick & Mortar, loaner devices provided by the school will be collected.
2. Schools will review requests each Thursday.
3. Families will be advised of decisions on Friday.
4. Students will continue participating in their current model until notified of the new placement.
5. Please note that a schedule change and/or teacher change may be necessary when a student moves from one model to the other.

Have You participated in the United States Census Yet?

The United States Census occurs only once every ten years and has a powerful impact on the future of Florida communities and their voice in Congress. The United States Census Bureau has announced that it will complete all counting throughout the United States on September 30th. It is important that all adults in Florida's education community participate in the census survey, as it directly benefits Florida students and families and informs the amount of federal funding distributed to states for programs that impact schools, students, and families. *Continued...*

Please label student belongings with their full name.

Thank you for keeping our lost and found empty!

Census Continued... Data from the 2020 Census will impact federal funding for programs that supports students in low-income areas of the state, services for students with disabilities, career and technical education programs, adult education, and many other programs important to the education of students in Florida. Census data informs federal funding for sanitization and personal protection equipment (PPE), cleaning supplies and other materials needed to help combat COVID-19 in schools.

We hope you encourage your education families, neighbors, and communities to participate in the census by sharing this message.

To complete the census online, visit <http://www.2020census.gov>.

To complete the census via phone, call 1-844-330-2020.

Thank you for participating in this important process.

Free Breakfast and Lunch Available to All Students through December

The U.S. Department of Agriculture has extended the Summer Food Service Program waivers allowing all students a breakfast and lunch option available at no cost. The meals available at no cost are the posted school lunch and breakfast menu. A la carte items are not included in the no cost meals. A la carte items will continue to be available for purchase. Meals are also available for pick-up at all schools for anyone 18-years-old or younger.

Meals available for pick-up are based on product availability designed for outside service. It is preferred that children are present for meal pick-up. If the child/student is not with the parent for meal pick up, USDA requires a form of ID. Valid forms of identification may include, but are not limited to, school identification card, child's passport, government-issued child identification card, or any document proving parent/guardian identity and relationship to the child, such as an adoption decree; doctor, clinic, or hospital record; religious record; or daycare center record. At Hartley, meals may be picked up between 9-9:30 a.m.

Request for Student Headphones for Instruction and Assessments

We are asking all parents to purchase a reasonably priced, good-quality set of headphones for their child to use during instruction and for testing. During the pandemic, single-user headphones are important and become a tool in your student's school supply toolbelt. Thank you for acquiring and labeling the headphones with your child's name before sending them to school. If you have already purchased headphones for your student, please disregard this request.

A close-up photograph of a bird's nest. The nest is constructed from a dense, tangled mass of dry pine needles and twigs. In the center of the nest, two bright, vibrant blue eggs are visible, resting on a bed of pine needles. The background is a soft-focus green, suggesting foliage.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month, starting Tuesday, October 6th at 3:05 pm.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

Hartley Families:

IF YOU KNOW AHEAD OF TIME THAT YOU ARE GOING TO BE PICKING YOUR STUDENT(S) UP PLEASE INFORM THE TEACHER AS WELL AS THE FRONT OFFICE SO THAT THE STUDENT(S) WILL BE READY.

Cut off for transportation changes and check outs are 2:15 (1:15 on Wednesday).

Thank you for understanding.

RULES

- Please show up on time at the scheduled time.
- Find a QUIET place, free from distractions (siblings, pets, television, etc.)
- Maintain RESPECT in your speaking, writing and appearance.
- Stay on MUTE. If you'd like to contribute with a question, answer or comment, then raise your hand and wait to be called on, just as you would in school.
- Connect with audio AND video, to promote focus and enable the teacher to provide assistance if needed. Eye contact should be maintained.
- Refrain from eating or chewing gum while in a conference. You have independent work times, recess and lunch when you can snack or have lunch.

**REMEMBER, THIS IS A CLASS,
SO TREAT IT AS SUCH!**
