Jacey Gwaltney is Hartley's School-Related Employee of the Year!

Congratulations to Hartley's 2020 School-Related Employee of the Year, Jacey Gwaltney! In nominating Ms. Gwaltney for this honor, faculty and staff members wrote the following:

"Jacey is always willing to help! She always has a positive attitude to go along with her help."

"Jacey goes well beyond her required roles: coordinating the school newsletter, updating the school website, and helping with students in crisis. She has great relationships with children, parents and staff."

"She goes above and beyond to help others and she makes all of our jobs easier."

"Jacey is amazing and always goes above and beyond, and with a smile!"

Ms. Gwaltney's nomination will be forwarded to the district level, for consideration for SJCSd's School-Related Employee of the Year award. She is well-deserving of this special recognition!

Many Students return to Hartley as “Brick and Mortar” Learners

At the beginning of the school year, 75 percent of students were learning at school, and 25 percent of the children were learning at home. Since the second quarter began, we are seeing an increase in the number of children returning to school, with the percentage of Brick-and-Mortar students now at 92 percent. Whether they're with us at school or are learning at home, we love our students! Thank you for continuing to support your children's learning experiences.

Remembering America's Veterans during a Month of Gratitude

Every year at school we remember our veterans- the members of the United States Army, Navy, Air Force, Marines and Coast Guard- who have chosen to protect us and our freedoms from harm. Veterans Day, a national holiday in the United States, was originally called Armistice Day, a holiday established to honor Americans who had served in World War I. It falls on November 11, the day when that war ended in 1918.

Last week we celebrated Veterans Day in a special way by inviting two veterans- school counselor, Dalene Kosobucki and Colonel James Lord, to speak with classes about why they entered the armed forces and how they served our country. Elementary school is a time for introducing children to the world of possibility, including future career choices. Hartley is grateful to Mrs. Kosobucki and Colonel Lord for taking time to share their experiences with our students.

Multiplication & Division Masters!

Again this year, students who demonstrate a facility with multiplication and division facts will have an opportunity to earn membership to the “Multiplication Master” and “Division Master” Clubs. Congratulations to **Blake Leisse** and **Garrett Smith**, who became Multiplication Masters by demonstrating an excellent grasp of the facts during a verbal assessment. Congratulations to **Joseph Barrett**, **Brantley Gregory** and **Marlo Famiglietti** for being inaugural members of the Division Masters Club! Multiplication and Division Masters receive special pencils, an ice cream treat, recognition on the “Multiplication Masters” bulletin board and a mention in the school newsletter. We are hopeful that all third graders will be multiplication masters by the end of the school year!

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**. Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts. **+** = **Addition** **-** = **Subtraction**

Congratulations to our members!
