**Congratulations to Third Grade
Multiplication & Division Masters!**

Every month third grade students who demonstrate a facility for multiplication and division facts have an

opportunity to earn membership to the “Multiplication Master” and “Division Master” Clubs. Congratulations to **Brett Szabados**, and **Jason Echols** who became Multiplication Masters by demonstrating an excellent grasp of the facts during a verbal assessment. Congratulations to **Jason Echols**, **Ronan Finstad** and **Brett Szabados** for **earning membership to the Division Masters Club!** Multiplication and Division Masters receive special pencils, an ice cream treat, recognition on the “Multiplication Masters” bulletin board and a mention in the school newsletter. We are hopeful that all third graders will be multiplication masters by the end of the school year!

We are hopeful that all third graders will be multiplication and division masters by the end of the school year!

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

Meeting Dates

October 6th	March 2nd
November 10th	April 6th
December 1st	May 4th
February 2nd	June 1st *

*At the Southeast Branch Library

Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**. Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts. **+** = **Addition** **-** = **Subtraction**
