From the Principal's Desk

Congratulations to Fifth Grade Students- Rising Middle Schoolers!

In just a few weeks, Hartley's fifth graders will complete their elementary school experience and begin middle school in August at Gamble Rogers and Murray Middle Schools. Some of our boys and girls began at Hartley in kindergarten and some were new to us this school year- we wish all of them the very best in the future. Fifth grade is a milestone year in St. Johns County and we are very sad to say goodbye to our students. Hartley Hawks know that they are always welcome to return to their first school.

New COVID Guidelines

Individuals who have been fully vaccinated – that is, two weeks or more have passed since the second dose in a two-dose vaccine or the first dose in a one-dose vaccine series – are not required to quarantine following exposure, provided he/she does not develop new symptoms of COVID-19.

The Department of Health (DOH) requests that we follow the current contact tracing protocol, regardless of vaccination status. They will contact exposed individuals to ensure no symptoms have developed, research his/her vaccination status in the state system, and provide further COVID education. The DOH will determine if the individual is exempt from quarantine. The Health Services Department, as well as the school nurses, will work diligently to assist students, parents and staff in this process.

From the Principal's Desk Part 2

Best wishes to Retirees Renee Deyo and Debbie Linger

Two of Hartley's finest educators, third grade teacher Renee Deyo and ESE teacher Debbie Linger, have decided to conclude their work in schools in June. Mrs. Deyo has taught for 30 years in St. Johns County, 27 of them at Hartley, where she began in 1990. Mrs. Linger has been at Hartley for 25 of her 26 years in teaching. Mrs. Deyo and Mrs. Linger have made a positive difference in the lives of countless children. The Hartley School Community will long remember their dedicated contributions to the lives of their students.

Dr. Goricki to retire after 42 Years of Teaching and School Leadership

School friends, I will be retiring at the end of the 2020-21 School Year. As a principal, I am proud to have served the Hartley School Community. During my 24 years with the St. Johns County Schools, I have been privileged to lead Julington Creek, Hickory Creek, Crookshank and Hartley Elementary Schools. As a parent, I am proud that my own children were taught by our county's very talented and dedicated teachers.

In St. Johns County, we live in a "golden age" of teaching and learning, where children are loved first and are prepared for life with an engaging, rigorous curriculum that stands on a foundation of character pillars.

In the weeks ahead, Superintendent Tim Forson will announce his selection of a new principal for Hartley Elementary School. I am confident that our Hawks will be in good hands!

Your Principal, Dr. Paul Goricki

PLEASE SEE THE HARTLEY WEBSITE FOR DETAILS.

OUR CLINIC NEEDS CLOTHES!

Parents/Guardians,
We are in need of clothing donations for our clinic. If you have shirts, shorts, or pants that need a new home, please think about donating them to the Hartley Clinic.

Thank you!

Congratulations to Third Grade Multiplication & Division Masters!

Third grade students who demonstrate a facility with multiplication and division facts will have an opportunity to earn membership to the “Multiplication Master” and “Division Master” Clubs. Congratulations to **Austin Andreas, Hudson Kinlaw, Arielle Aylward, Riley Vickers, Austin Works, Ansleigh Pena, and Judah Growick** who recently became Multiplication Masters by demonstrating their excellent grasp of the facts during verbal assessments.

Congratulations to **Corbin Mathews** for earning membership to the Division Masters Club! Multiplication and Division Masters receive special pencils, recognition on the “Multiplication Masters” bulletin board and a mention in the school newsletter. Our goal is for third graders to be multiplication masters by the end of the year.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**. Mrs. Baker looks forward to acknowledging all 2nd graders at school and in the newsletter this year as they show their knowledge of their addition and then subtraction facts. **+ = Addition - = Subtraction**

Happenings at Hartley!

Multiplication Masters!

Extended Day Bubble Fun!

A Mama Turtle chose to lay her eggs on Hartley's Orange & Blue Playground! Students are encouraged to observe and learn, but please do not touch! We are excited about this great learning experience!

Student Health Screening Entry Form

Please assess your child daily for the following symptoms and answer the contact questions.

- Fever of 100.4 or higher
- Uncontrolled cough
- Shortness of breath or difficulty breathing
- Sore throat
- Loss of sense of smell or taste
- Muscle aches
- Vomiting or diarrhea
- Is your child currently awaiting COVID-19 test results? **If yes, please keep your child home and notify the school nurse when test results received. Further instructions will be discussed at that time.**
- Does your child live in the same household with someone positive for COVID-19? **If yes, your child must quarantine for 10 days from the last date of contact with the positive individual. The quarantine period may be shortened to as few as 7 days if a negative PCR test result is obtained on day 6 or later from exposure to the positive case. The Dept. of Health will assist in clearing your child to return to school once they have received the negative test result.**
