Parent Drop Off and Pick up Reminders

- When dropping off your children, we are happy to help them out of the car to keep the line moving so you don't have to get out of your car.
- Please remember to clear the right side of your car so students can safely exit and enter your car without stepping into traffic on the left side of the car.
- The grassy area to the left of the car line is available for you to pull over and park out of the car line if you need to buckle your child's seatbelt.
- When waiting in line to enter the school campus, please be mindful and not block neighborhood driveways. Some Residents often leave their house during morning drop off and afternoon dismissal and need to exit their driveways. Thanks for being a helpful Hartley Hawk to the neighbors of our school!

School Access Form - Keep'N Track

If a teacher requests a family member to volunteer in the classroom, they must have school access pre-approved in the system; this includes attendance at any event at Hartley Elementary School, and/or attendance of an awards assembly. If you have not already done so, please complete the School Access Form (<https://stjohns.keepntrack.com/apply/>). The process for approval may take up to 4 weeks, so please fill out the application sooner rather than later for any guests that would like to have school access. Once the application is approved, school access will be valid for three years.

Until further notice, only essential volunteers are allowed on campus. An essential volunteer is a volunteer that is requested by the teacher that assists with the instructional day.

Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

SAC Meeting Dates for 2021/2022

All meetings are via Teams Meetings at Hartley at 3:05 or 3:15. Please Email Amber Kerly if you'd like to attend.

Meeting Dates

**October 5th, November 2nd, December 7th,
February 1st, March 1st, April 5th, and May 3rd**

**Please label student belongings with

Thank you for keeping our lost and found empty!
