Second Grade Addition/Subtraction Wall of Fame

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

SAC Meeting Dates for 2021/2022

Meetings are at Hartley at 3:15. Please email Amber Kerly if you'd like to attend.

Magic Tree House: The Knight at Dawn KIDS is an adaptation of the second of Mary Pope Osborne's award-winning fantasy adventure books from the Magic Tree House book series, which has sold more than 100 million copies and is available in more than 100 countries around the world. This time around, Jack and Annie's tree house takes them to an age of knights in shining armor, where the two discover the power of hope and the true meaning of gallantry.

The two siblings, Jack and Annie, return to visit the magic tree house. As they read a book about knights and the middle ages, Annie is intrigued by the Black Knight and the mysterious quest one must successfully complete before becoming a knight. When she wishes to visit the castle in the book, the siblings are whisked away to medieval times. They set off to learn more about the Black Knight and his quest, experiencing a grand medieval feast, escaping through secret tunnels and dancing with enchanted suits of armor, all in an effort to find their way back home.
