and kind!

So many of our students have been helpful and kind this year at Hartley. Staff members recognize students that are being helpful and kind during the school day. Each Friday a student per grade level is drawn for a prize out of the student names that have been recognized that week!

We LOVE Math!

Want to give your 2nd grader a practical skill that will benefit him or her throughout life? Help your child master addition and subtraction facts! Being fluent in addition and subtraction (to 20) is a 2nd grade Standard, prerequisite to learning multiplication facts in third grade. Teachers can offer tips to help your child practice these at home, including the online tool: **XtraMath.com**.

School Advisory Council News

Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's School Advisory Council (SAC). The SAC committee is a group of parents, staff and community members who meet eight times each school year to discuss school goals and happenings and make decisions that are in the best interest of the Hartley School Community. As always, the meetings are open to the public, but we are also looking for a few new voting members on the committee. The SAC meetings will be held online on the first Tuesday of each month at 3:05.

If you are interested in being a part of this committee, please contact our SAC Chair, Amber Kerly, at Amber.Kerly@stjohns.k12.fl.us or join us at a meeting.

I hope you will consider joining at us as a SAC member this year!

SAC Meeting Dates for 2021 – 2022

Meetings are at Hartley at 3:15. Please email Amber Kerly if you'd like to attend.

April 5th and May 3rd

Please label student belongings with their full name.

Thank you for keeping our lost and found empty!
