Parents, are you interested in getting more involved at school?

If so, perhaps you would be interested in joining Hartley's
School Advisory Council (SAC)!

School Advisory Council (SAC) is a group of teachers, parents, community members and education support personnel who meet once a month to support and assist in making decision for the school. Member will:

- Assist the principal in the school's annual budget.
- Assist in the preparation and evaluation of the School Improvement Plan.
- Approve of the expenditure of school improvement funds.
- Perform functions as prescribed by regulations of the school board.
- Support school improvement implementation.
- Collect and analyze information about the community and the school and receive public input regarding needs (Needs Assessment) of the school.
- SAC & the school's staff jointly decide on how to spend A+ recognition money.

We would love for parents to get involved with our School Advisory Council!
Please feel free to contact Amber Kerly, SAC Chair, to join SAC or with any questions at: Amber.Kerly@stjohns.k12.fl.us.

Hartley LOVES Volunteers & Visitors!

Would you like to be more involved in the Hartley community? Would you like to volunteer throughout the day? How about going on a field study with your student?
