## W.D. Hartley's PBIS Program

(Positive Behavioral Interventions and Supports)

It has been an incredible start to the 2023-2024 school year learning the school expectations and how to SOAR! Students met in grade level assemblies with teachers, administration, and staff to review what SOAR looks like in each setting around the campus. They learned what the acronym SOAR stands for and how it applies to all areas of the school. S- Safe, O-Organized, A- Always KAHFOOTY (Keep All Hands, Feet, Or Objects To Yourself), R- Respect.

Class families have been earning eggs (compliments) throughout their day in all settings and working towards "filling their nest" with a certain amount of eggs to earn a reward that they voted on together. Starting in January, students will earn individual points for their positive behavior and demonstrating the 6 pillars of character. They will use those points to go to the SOAR Store and "purchase" items.

We need volunteers to help in the SOAR Store when it is open, and for other future PBIS events. Please click on the Sign Up Genius link below to volunteer and get in contact with Katie Milillo about getting involved with this program.

## HHH: Hawks Have Heart

Hartley's "Hawks Have Heart" representatives spent the months of October and November creating food drive boxes, practicing their speaking parts, informing classes of what a food drive is, and checking in with them to collect the food items for Hartley's Food Drive. It was an incredible experience to observe students being brave and speaking to classes for such a special cause. The representatives took initiative to decorate their boxes, make connections with their classes, and show responsibility throughout the month monitoring their boxes and keeping track of it all. The HHH members concluded this project by sorting all of the items donated with our fabulous family volunteers and then stuffed the bags full to send home to our families in need.

Overall, Hartley collected over 1,200 food items to sponsor our families in need for the holidays. Mrs. Moffat's 5<sup>th</sup> grade class brought in the most food items as a class family and won a special reward!

In December, the HHH members discussed what it means to give and how we can brighten others' day by simple greetings. The members wrote thoughtful and meaningful cards that they created and decorated to send to our local nursing homes wishing everyone a very happy holidays. This week, the HHH members will work on stuffing snack bags for a local organization that feeds the homeless and writing positive affirmation cards for them. The last project for the fall session that the HHH members will complete before winter break is a campus-wide beautification project. Students will help clean up the school campus and work towards making it a beautiful place to be!

Thank you to all of our Hartley Hawks and Families for all you do to serve those in need and support our school, families, and community. Happy Holidays!

## PTO News

Spring Fling Fun is planned for Wednesday March 27th. A planning meeting will be held on Monday, January 22nd immediately after the General Membership Meeting. Each class will need a family contact to coordinate for a successful event. Duties will include attending 2-3 planning meetings, creating a schedule of volunteers to run the class booth, and communicating with families in the class of needs. Sally Cunningham will be reaching out to obtain a point person for every classroom. If you are interested in taking on this role for your child's class, please email her by December 13th [sally.cunningham@stjohns.k12.fl.us](mailto:sally.cunningham@stjohns.k12.fl.us)

Thanks to your support in our 2023 Boosterthon Fundraiser, PTO has proudly written a check to Hartley Elementary School for more than \$42,000 to fund new playground equipment!! Way to go Hartley!

Thank you to our PTO Member Families for your generosity and support to our Hartley PTO!
